

Dear Cherished Guest,

Cherished Friends of Ahava welcomes you to a day of relaxation as our *Special Guest* at Ahava Spa and Wellness Center.

The following questionnaires will be used to prepare for your complimentary spa day with our oncology-trained team. Please mail, fax or email them to the addresses or number below.

Thank you also for providing us with a doctor's note stating you are under his/her care and giving us permission to perform the services in our Special Guest package.

Our non-profit continues its mission to provide a day of restoration, hope and healing to anyone currently diagnosed or undergoing cancer treatment for up to one year post treatment.

We look forward to creating a day of relaxation just for you! If you have any further questions, please call 419.241.5877.

Sincerely,

Cherished Friends of Ahava
